Transfers:

Upon request we can organize a private or shared (when travelling together) transfer service from nearby airports (San Sebastian, Bilbao, Biarritz) or train stations (Irun & Hendaya) to San Sebastian for individuals or groups. Send us your complete flight itinerary, airport, and day and time of your arrival at least 10 days in advance. If you do not, we uphold the right to cancel the service without a refund. Our transfer service takes the students directly to their accommodation. The student is obliged to notify the driver of any delay at the airport. Bilbao airport has an excellent connection with 1 bus leaving per hour (2 during the summer) and takes a student directly to San Sebastián in 75 minutes for only €13 (safe & highly recommended).

Groups:

We can also organize group stays at Lacunza IH. These have separate conditions and group discounts. Please write to grupos@lacunza.com for more info on group trips.

Marketing:

To promote our school, in our marketing materials, our website and social media, we normally take photographs and videos of our students while they are participating in activities and occasionally while in class or in their housing. Let us know if you do not want your (or your child's) photograph or video to be used before your first day of class.

ACCOMMODATION

General

Accommodation is booked from the Sunday before the course begins to the Saturday after the course ends. Extra nights may be available (extra cost) and can be booked on Saturday (arrival) or Sunday (departure).

Our host families will give you sheets and towels (no beach towel). Our shared apartments give you sheets but don't have towels (please bring your own). All accommodation is located within 5 to 30 minutes from the school either by walking or by public transport.

Change of accommodation will only be admitted under extenuating circumstances which will include if the family/apartment is not meeting the school's expectations in accommodating the student. If the student wishes to change for personal reasons (better location, is not communicating with the family, etc), they will be charged a 50€ change fee. The student changing for personal reasons will have to change on the weekend and pay an extra night for the accommodation that is selected (Saturday night). Ability to change depends on housing availability.

Pricing

All our accommodation types have a booking fee of 50€ per person that must be paid prior to arrival.

There are two different prices depending on the period of the year for our accommodation. High season runs from 1st of June to 13th of September 2025.

Students in shared apartments with other students must pay a 150€ housing deposit with a credit card. The deposit is returned at the end of their stay if there is no damage to the apartment. Students staying in shared apartments with locals do not need to pay a deposit.

Communication

No later than 10 days before your course starts, and once we have received full payment and all necessary documents for the course we will send you your accommodation details.

Shared apartments and host families include a shared bathroom. The student's residence includes a private bathroom. Most of our accommodation consists of flats in apartment blocks that average in size between 70-90 square meters, usually with 2-3 bedrooms and one bathroom, a living/ dining space, and a small kitchen with a washing machine for clothes. Not everybody has dishwasher or clothes dryer, and space can often be tight in the bedrooms. In Spain, due to Spanish construction standards, many rooms might not have a window that overlooks the street. The windows are opened to small ventilation patios so rooms can be quite dark. This has the advantage of avoiding the street noise, which can be heavy as we are used to living most of our lives outside our houses. Brighter houses are found in the suburbs on the hill that surround the city center or newly built up areas. Those areas are efficiently communicated by bike lanes and bus/ train service. Most of the residents limit the use of their cars for weekends and use public transport, walk, or cycle as the city is safe and easy to move around.

Check in and Check out

>Check-in times:

Residence Hall: Your room will be available from 2pm. As the reception is open 24 hours you can store your luggage if you arrive earlier.

Host families: Students must coordinate with their host families to arrange check-in times. Host families might not be at home upon arrival if no communication and organization has happened previous to your arrival. As a general rule, check-in will be available from 2 pm until 10 pm. Any earlier / later arrival must be communicated and agreed on with your host family (or us) by

Tuesday before arrival so that we can plan. The school will decline any responsibility for students waiting outside that have not informed us about their arrival time by that deadline.

Students that have booked a transfer just need to send us their flight information and we will inform their host.

Shared apartments: You can access your accommodation on your arrival day after 2pm. We will leave you the keys to access your apartment at Restaurante el Rincon here (behind the cathedral "Buen Pastor" in city center – on Reyes Católicos street, number 20. You will be able to enter the apartment after picking up the keys. Your room might not be available if you arrive before check in time, but you can keep the luggage there in the meantime.

If you have booked a transfer, the driver will give you the keys at the airport and you don't need to pick up the keys at "Restaurante Rincon".

>Check-out at accommodations: Check out at all our accommodation is at 11 AM. Informing your host or school is necessary if you need to leave later to receive further instructions. When leaving a shared apartment, please leave your keys in the house in a visible spot (on the bed, for example).

>Extra nights & stay extensions: if you need to arrive one day sooner or leave one day later, extra nights are available for an extra charge, but they must be reserved. We only allow 1 extra night on arrival and 1 extra night on departure.

Also, if you are thinking about extending your accommodation, please let us know ASAP as there might be another student assigned to your room after you. Extensions will not have priority over students that have already been confirmed their accommodation. When the student needs to change the accommodation for the extension it will be necessary to pay 50€ (placement fee) and one extra night. If you don't change the accommodation, you only pay the extra night.

>Visitors & double rooms: Visitors will not be accepted at Lacunza IH Accommodations; neither in host families nor in shared apartments or the residence. No guests are allowed in any of our accommodations, not even for one night. Double rooms are only available for students coming together to do a course.

>Rules & customs: Our host families and San Sebastian residents in shared apartments are opening their houses to you to share their culture and experiences. They are not guest houses, B&B or professionals making their living on this, but a service just for our students with specific conditions. Therefore, we expect students to adapt to their rules and customs. This includes but is not limited to being on time for dinner or telling them in advance if you are not having dinner at home, keeping your room/ common areas tidy, not leaving the wet towels on the floor of the bathroom, not having showers 3 times a day or after 8:00 pm, taking down the trash in shared apartments and not smoking in your rooms. The areas of common use must be treated with respect especially referring to their cleanliness. This includes common areas inside the house as well as neighbourhood staircases and the common entrance. Please keep the noise down when at home to avoid disturbing the neighbours. Below you will find more detailed information about the rules of each kind of accommodation that we recommend you to read carefully.

- **Locks & Safety:** for security reasons the student's bedrooms cannot be locked. Host families hosting young students are police checked.
- **Assistance on arrival phone number at weekends:** in the event that there is a serious problem on your arrival, you can reach us on (+34) 627747818- Only available on weekends (Saturday and Sunday) from 10 am to 11 pm and only for real emergency situations that require immediate action from the school.
- **Damages at the accommodation:** students will be responsible for any damages or property loss caused by them. This includes but is not limited to: losing house keys (and replacing lock if necessary), losing the bus pass, replacing / fixing damaged property.

Host families

We have a large variety of responsible and trustworthy families of different types and lifestyles to ensure that we find the perfect match for you. The main criteria for selecting a host/host family is that they are caring, friendly, open-minded and will be able to offer the student a welcoming home stay, who supports and encourages their language learning and cultural immersion.

We will do our best to fulfil the request of the parents/ students regarding their host family, if those are reasonable and do not imply any discrimination towards host families. We are aware that most people expect a nuclear family with a mother, father and as far as possible, children. Unfortunately host families with children/teenagers are not that frequent. Those who accommodate our students tend to be families with children who have either departed for university or have an extra room for other reasons. We also collaborate with different types of hosts that are happy to welcome you such as a lady living alone, a young couple without children, a man alone with/ without children (not frequent), Gay couple (not frequent). Host families might have pets and it is important to communicate any allergies when making your booking.

Boarding options:

- **Self-catering:** No meals included. Includes: normal use of water, gas, and electricity. Bed linen and a set of keys for student. All apartments have a washing machine, fridge, cooking facilities, crockery and WIFI.

Not included: bath towels & beach towels, commodities such as oil, salt, toilet paper or washing powder. You are sharing with a local resident so they might offer to share the expenses for all that. Otherwise, you need to purchase your own.

You can access your accommodation on your arrival day after 2pm. We will leave your keys at Restaurante el Rincon (behind the cathedral "Buen Pastor" in the city center – on Reyes Católicos street, number 20. You will be able to enter the apartment after picking up the keys. Your room might not be available if you arrive before check in time, but you can keep the luggage there in the meantime.

This is only valid for students that booked the self catering option in a host family.

- **Bed & breakfast:** includes a light, continental breakfast (coffee, toast and juice or a fruit). In case you want to ensure time of quality and conversation with your host, we recommend you choose the half board option as it is common for hosts have to go to work and they will not be there during breakfast at home.

- **Half board:** includes a light continental breakfast AND dinner, which encourages conversation with the family.

- **Full board:** only for students participating in the Junior Summer Course. Includes light breakfast, dinner, AND a packed lunch (for example: sandwich, fruit and drink)

Students are expected to adapt to the family's diet. Any special dietary requests must be communicated in advance and might carry an extra charge. Special diets with an extra charge: there will be an extra fee of 25€ per week for the following special diets: gluten free, vegetarian & vegan, Lactose intolerance, pescatarians.

The use of the kitchen is only allowed in the self-catering option.

Students that choose any option other than self-catering are not allowed neither to cook, nor to store food for his/her own use.

Host families for children in the junior program: we are aware that some of the children will be leaving their own families and travelling abroad for the first time and therefore may be unaware of the cultural differences. Therefore, when visiting and assessing our host families we make them aware they must do all they can to help them to overcome any fears or difficulties they may feel and to offer a warm, secure, and welcoming family environment. For that reason, we prioritize offering them a nuclear family even if not so close to school and city center. As families with

children tend to live in suburbs around the city center, we offer any students who need to use public transport to come and go to school the possibility of getting a bus pass that will reduce the price of the trip. To get the bus pass students must give a deposit of 5€ to their host family on their first day. The family will charge the card with enough money for a 5 day return trip from school and activity program (Saturday). After that the student must recharge the card with his/her own money.

Inclusions - the school guarantees the following, although most of our host agree to provide more than this minimum:

- Bath towels, but not beach towels.
- A daily shower, but not baths and no showers after 8pm.
- A weekly change of bed linen & basic laundering of clothes.
- A key so that the students may let themselves in and out.
- An individual room (unless you come accompanied with another student) with a wardrobe and a table/desk to study.
- Wi-Fi connection

Shared apartments

Shared apartments can be shared with Lacunza students or other people depending on availability. You will have your own bedroom but share communal facilities.

Includes: normal use of water, gas, and electricity. Bed linen and a set of keys for students. All apartments have a washing machine, fridge, cooking facilities, crockery and WIFI.

Not included: bath towels & beach towels, commodities such as oil, salt, toilet paper or washing powder. If you are sharing with a local resident, they might offer to share the expenses for all that. Otherwise, you need to purchase your own.

Housing deposit: accommodation in shared apartments with other students implies the payment of a housing deposit of 150€ to be paid only with credit card.

Cleaning: we will send somebody to clean the common areas weekly if the apartment is full and every 2 weeks if it's not full. In case of sharing with a local resident he/she will be responsible for maintaining common areas in order. Students are responsible for cleaning after themselves (ie: washing their own dishes) and must collaborate keeping the apartment tidy and free of trash, food gone off or dirty dishes and/or cooking tools in the kitchen. If not, there will be no cleaning service.

If you have any questions about our conditions, please don't hesitate to contact us.
